**Practical Training Project on Fire Fighting and Evacuation Drill**

Academic Resource and Information Technology Center (ARIT), Kanchanaburi Rajabhat University arranged a practical training project on fire fighting and evacuation drills on 23 February 2023 at the meeting room, 6th Floor, Bannarajanakarin Building, Kanchanaburi Rajabhat University. The training aimed to provide knowledge on the efficient preparation for fire emergencies that might occur, as well as preventing the loss of life and property of the university's staff and students, and users.
